WELCOME!! TO THE NATIONAL LAUNCH OF “GO TO SCHOOL... BE SEEN... BE SAFE”

A SAFE SCHOOL PROGRAMME BY THE FEDERAL MINISTRY OF EDUCATION IN COLLABORATION WITH THE CHILDREN ACCIDENT PREVENTION INITIATIVE (CAPI)

Sonny Echono
Permanent Secretary Fed. Min. of Education

DATE: 27th May, 2021 **TIME:** 10:00 prompt
VENUE: Shehu Musa Yar'Adua Centre,
No. 1 Memorial Drive, Central Business District, Abuja

NATIONAL ANTHEM

ARISE, O Compatriots,
Nigeria's call obey
To serve our Fatherland
With love and strength and faith
The labours of our heroes past
Shall never be in vain
To serve with heart and might
One nation bound in freedom,
Peace and Unity.

O God of creation,
Direct our noble cause
Guide our leaders right,
Help our youth the truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace
And justice reign.

THE PLEDGE

I pledge to Nigeria my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honour and glory
So help me God.

Minister of State for Education

ARC. SONNY ECHONO
Perm. Sec., Fed. Min. of Education

CAPI is a Non political , Non religious, Non Profit and a Non governmental organization working in collaboration with Federal Ministry of Education [FME] on a safe school program tagged....."**GO TO SCHOOL...BE SEENBE SAFE**

This laudable initiative is designed to protect the movement of school children at play, at home and at school from accident associated with motor vehicles, motor cycles and tricycles while crossing our busy network of roads to and from schools daily across the country.

This is a logical progression of a series of steps taken by the FME that specified the scope and nature of the collaboration.

We Humbly thank the Hon. Minister of Education Mallam Adamu Adamu, Hon. Minister of state for education and the Permanent Secretary for their no objection to endorse this collaboration and for graciously considering this program worthy for implementation.

I stand with the Nigerian Children and I believe in the Vision of CAPI, Every child needs to
Go To School!
Be Seen!! and Be Safe!!!

ABUBAKAR MALAMI

Attorney General of the Federation and Minister of Justice

CAPI is concerned with the safety movement of school children across the country, these wards aged 4-14 years are exposed and vulnerable to all kinds of road mishaps. Our Primary goal is to Kit about 40 million students with customized reflective jackets and armband in phased implementation, the introduction of cadet and school crossing guard services in all CORRIDORS of intense traffic within school environment.

CAPI shall also through partnership with relevant stakeholders donate school buses, ambulances, First aid Kits, modern zebra crossing, speed breakers, Road signages, pedestrian overhead bridges, emergency clinics and road safety clubs in schools.

***I commend the
Federal Ministry of Education
for this laudable initiative***

SADIYA UMAR FAROUQ

Minister of Humanitarian Affairs, Disaster Management and Social Development

CAPI is designed to chart a new course in combating the carnage of death among vulnerable children of public schools in the country. This program is indeed a cornerstone to build a strong academic discipline; the primary objective is to touch the lives of low income families whose children do not enjoy the luxury of being driven to school by parents, guardians or school buses.

In urban cities children cross 2-3 major roads and highways before getting to their schools, when a child is knocked down by road users he is either killed or maimed for life. We are aware of the losses parents incur through road accidents involving their wards. However, children are the continuity of every nation, without children there will be no adult, and without adult there will be no work force and without a veritable workforce the society will remain mortally backward or at worse may face extinction.

DR. BOBOYE OLAYEMI OYEYEMI
Corps Marshal, FRSC

A.A NWAKA
Assistant Corps Marshal, FRSC

The number of school children involved in road related accident is increasing at an alarming rate without any commensurate improvement in preventive controls and increase in health care facilities to cater for the victims. While fully appreciating the efforts of the Federal Road Safety Corps (FRSC) in ensuring safety of our high ways, Realising this therefore, the promoters of **CAPI** believes that the task of securing the lives of our children need a far more radical approach.

We urge the Federal Road Safety Corps FRSC to Support the program by training and retraining of **CAPI** Cadet and School crossing guards for efficient road traffic control system. We sincerely commend the FRSC for their innovation and efforts in promoting adherence to best practices in the area of child safety.

*We have come
a long way with CAPI
NARTO*

ALH. LAWAL YUSUF OTHMAN
National President NARTO

We wish to express our profound gratitude and appreciation to the Nigerian Association of Road Transport Owner (NARTO)

We shall leverage on your goodwill, vast network, contacts and commitment to expand this program throughout the 774 Local Government of Nigeria to ensure effective inclusion. We shall partner with individuals, cooperate organizations, churches and mosque to strongly advocate for greater implementation of the domesticated Childs Right Act 2003 in line with the global UN convention on the right of the child, with an overall mandate of ensuring the total well being of the child.

CAPI

A wake up call to all Governments

PROF. JOSIAH OLUSEGUN AJIBOYE

Registrar/Chief Executive, Teachers Registration Council of Nigeria

We shall identify and engage, as the need arises, wider stakeholders and interest groups, including Local and international donors to support this program. Periodically organize in collaboration with Federal Ministry of Education; seminars, workshops and conferences in order to educate teachers about road safety tips and the roles of school crossing guards.

The National Assembly will continue to support initiative that would encourage children to go school

PROF. JULIUS IHONVBERE

Chairman, House Committee on Basic Education and Services

We wish to express our partnership to the entire members of the National Assembly, It will not be possible to take stride in this program without your support, with your intervention, various school children in your constituency could be kited with the safety materials against road accident.

Good Thinking!!

BARR. CLEMENT ISONG

Executive Secretary Major Oil Marketers Association of Nigeria (MOMAN)

Our readiness to fully support the program geared toward empowering 40 million school children with accident prevention kits.

We shall continue to express concern over the fate of our children to good education, social security, safety and love

MRS. GRACE EKANEM

Director, Legal Services FME

Once again, we thank all the officials of the Federal Ministry of Education that assisted in facilitating all courtesy visits and assured them of our commitment to operate in line with approved guidelines.

We particularly thanks the Project Implementation Committee for a job well done

MRS. OGOCHUKWU UFOEGBUNA
DIRECTOR EPR, FME

Kiting school children with reflective jackets would ensure the visibility of road users.

We advocate for collaboration for the successful implementation of the scheme toward reduction of accidents especially, as it affects the school children.

VOTE OF THANKS:

On behalf of the
Honourable Minister of Education,
Mallam Adamu Adamu
We sincerely thank you all
for coming.
